CLASSROOM CONSTRUCTION and landscaping projects are rapidly reshaping the campus of Palm Springs High School. Ten all-steel classroom units (left photo) have reached the mid-way point in construction. The new units, located directly behind the school's east

ment work, surveyed by Architect Stewart Williams left, and High School Principal Dr. Charles Webster. Site development includes landscaping, paving of a parking area on the east side of the auditorium and construction of a retaining wall, to be erected from bricks stacked in the foreground. The new auditorium was officially marked "completed" at the end of last week about 30 days after its scheduled completion date. (Desert Sun Photos).

Change Boundaries

Gambling Rumors Revived in NPS Incorporation

New rumors of gambling, this time along Highway 60-70-99, if North Palm Springs is successful in its attempt to incorporate, were disclosed at the luncheon meeting of the City Council after City Manager Robert W. Peterson reported that proponents of the incorporation have again amended their boundaries.

Councilman George Beebe said that the council should not become lax in its fighting of the incorporation move "because we know that the idea of setting up poker and pin parlors has not been dismissed from the minds of the proponents."

Sections 16, 17, 20, 21, 22, 19 and 30 to full sections instead of parts of sections.

BOBBY GARCIA, Palm Springs resident who claimed to be backing the incorporation move and whose attorney William Shaw is representing the proponents of incorporation, last month went before the Board of Supervisors and told them he was no longer active in the move.

Tom Pendergast, head of the North Palm Springs incorporation move, said this morning that they are now circulating the new petition of intention, but that it was slower than last time because "they have to reach further in order to get the signatures because of many people being on vacation."

He said that the last unofficial count for the area, which was prior to the recent addition of about three square miles, was approximately 530 residents.

Dr. Rosen Dies of Heart Attack in Los Angeles

Dr. Joseph P. Rosen, Palm Springs hotel owner and dentist, died of a heart attack yesterday while he was testifying in a case at small claims court in Los Angeles.

Dr. Rosen, 42, interrupted his testimony to ask Judge O. Benton Worley if he could sit down. Moments later the doctor collapsed. He was pronounced dead on arrival at Central Receiving Hospital.

HE WENT TO Los Angeles Saturday, accompanied by his wife, Etta, and had planned to return here this week.

A Palm Springs resident for more than one year, Dr. Rosen was a practicing dentist here and also owned the El Coronado Hotel. He came to Palm Springs from

Encinita and formerly practiced in Los Angeles.

BESIDES HIS wife, Dr. Rosen leaves two sons, Grant and Marty; a daughter, Carol; his parents, Mr. and Mrs. Leib Rosen, all of Palm Springs, and brother and sister in New Mexico.

Funeral arrangements will be announced later.

WEATHER

Desert Area Forecast: Mostly sunny today and Thursday except partly cloudy at times. Little temperature change. Highs 86-96 upper valleys, 100-110 lower valleys.

Bridge Needed

Report Issued On Sunrise Way

After a thorough investigation, Director of Public Works Frank Hamerschlag reported today that nothing but a full scale bridge over Tahquitz River on Sunrise Way would be feasible and anything else would not gain the approval of the County Flood Control Commission.

A letter from John Bryant, county flood control chief, pointed out that the cost of a "temporary" bridge at the creek would be almost as much as a permanent bridge and would cause trouble by allowing the water to back up in the channel, Hamerschlag said.

THE ORIGINAL plan was to put several concrete pipes across the river-bed and then pave over the top of them. Hamerschlag said that he was continuing to attempt to solve the problem of Sunrise Way being a bridge, it was explained.

flooded every year, and that he was working the foot-bridge in with the plan. Both need repairing immediately.

HE SAID THAT HE was going to try to draw plans for a cement span over the creek and join it into the present asphalt approaches.

The fact that there must be a bridge on Sunrise Way does not necessarily affect the paving and bridging of the same creek on El Cielo Way, because the banks of the creek do not confine the water, and if the water does rise it would just run over the road.

Because of the banks of the flood control right-of-way west of Sunrise Way, this would harness the water and cause it to back fill and the resulting turbulence could wash out a "temporary" bridge, it was explained.

JEWELRY STORE BREAK-IN SUSPECT HELD TO ANSWER

A Los Angeles draftsman, Ronald Earl Baker, 24, charged with breaking into the Alchian Jewelry Store in The Center, was held to answer in superior court after a preliminary hearing in Judicial District Court yesterday.

Judge Eugene Therleau bound Baker over to appear in Superior Court on July 29.

Baker was reportedly frightened from the scene by two Village men, Jay Budsey and Bill Cunney, whose attention was attracted to the store by the sound of breaking glass. He was captured by police as he ran down Indian Avenue.

Living Costs Go Up Again During June

Prices of Food Same, Others Push Up Index

WASHINGTON (UPI) — Consumer prices edged up to a new all-time record peak in June, the government reported today.

The consumer price index went up less than one-tenth of one per cent to reach 123.7 per cent of average prices in 1947-49. This was 2.9 per cent higher than a year ago.

WASHINGTON (UPI) — Consumer prices edged up to a new all-time record peak in June, the government reported today.

The consumer price index went up less than one-tenth of one per cent to reach 123.7 per cent of average prices in 1947-49. This was 2.9 per cent higher than a year ago.

THE EARNINGS of the typical factory hand after federal tax deductions were \$75.55 for a worker with three dependents.

But the buying power of his pay check was trimmed by the rise in living costs and was 2½ per cent under a year ago, the department said.

SLIGHT ADVANCES in the costs of transportation, reading and recreational, medical and personal care pushed up the index.

Food prices, a main factor in the inflationary picture earlier this year, remained unchanged for the second month in a row. Sharp decline in fresh vegetable prices offset higher costs for fresh fruits, meats and restaurant meals.

The 20th rise in the index in the last 22 months will bring a pay increase for about 375,000 workers whose wages are tied by escalator clauses to the index.

OFFICERS SOB AS THEY ARREST THEIR SONS

ATLANTA, Ga. (UPI) — The two officers did not try to hide their tears when they returned to headquarters. Each had just picked up his own son on suspicion of burglary.

Members of the burglary detail, investigating a Monday night break-in and theft at a school construction project, Tuesday found a stolen electric saw in the possession of a 17-year-old boy who implicated two companions. Further investigation revealed that two of the three boys involved were sons of policemen.

Detective Supt. Glyn Cowan, notified of the fact, turned the investigation over to the fathers, Detective R. E. Little and Patrolman J. D. Corley.

The mother of one boy fainted when her husband arrived to place him under arrest. Both officers sobbed as they filled out arrest blanks.

"I don't know what went wrong," said one. "They must have just acted on the spur of the moment."

All three boys are 17 and members of the junior class at the same high school. Their families said each attended church and Sunday School and had never been in trouble before.

Violent Weather Extends From Plains Into East

United Press International

The nation's pattern of weather violence extended from the plains states into the East today, leaving a trail of tornado destruction and flood damage.

Two twisters hit in Ohio Tuesday, critically injuring one person and injuring three others less seriously.

FLOODING RAINS also swamped the Cincinnati area, forcing families from their homes.

Twisters Tuesday night touched down near Lubbock, Tex., and in western Kansas, but damage was minor. The funnels swooped from violent thunderstorms, hail storms and high winds scattered during the night from western Kansas through western Oklahoma and

into northwest Texas.

ALONG THE GULF COAST, an estimated 10-inch rainfall in a 10-hour period Tuesday sent a flash flood pouring over the Winnfield, La., area. The water began receding today but damage was estimated at "several thousand dollars."

One of the Ohio twisters ripped an area two miles south of Newark, near Columbus, damaging three homes and several farm buildings and carrying a 3,000-pound boiler two miles from its base.

The other Ohio twister struck near Newcomerstown, destroying two houses and a bar and injuring four persons. Damage in the area was estimated at \$60,000.

Block 'Civil War'

British Stage Mass Round-Up

NICOSIA, Cyprus (UPI) — British troops rounded up 1,200 Greek Cypriots and 40 to 50 Turks in the past 36 hours to prevent "civil war."

"In consequence, I gave orders for the arrest and detention of a number of Greeks and Turks who were known or believed to have planned murder, arson, or other violence and intimidation," Foot said.

Foot said he ordered the drastic island-wide round-up after learning the Greek Cypriot underground organization planned to unleash a new terrorist campaign.

The operation was screened by a security blackout that included cutting communications with the outside world.

THE GOVERNOR said British security forces went into action because he learned the EOKA

"In consequence, I gave orders for the arrest and detention of a number of Greeks and Turks who were known or believed to have planned murder, arson, or other violence and intimidation," Foot said.

"THESE ORDERS were given to save lives and property and to prevent civil war."

All of Cyprus was placed under

curfew—confined to their homes—at 4:30 a.m. Tuesday. The security forces then went into action.

Eyewitnesses said they saw

Authorities Investigate Murder Case

Woman Found Lying by Side Of Highway

Sheriff's deputies and Cabazon police today are investigating the possible murder of a woman identified as Myrtle Annice Shirley, 60, of Holtville, Calif., who was found lying in tall weeds besides Highway 60-70-99 about 9 a.m. this morning.

Making the discovery was Carl Marshall, who had stopped his car to adjust his cooler. He immediately notified Cabazon Police department.

THE BODY, BADLY decomposed, was lying almost face down in foot-high weeds. It was not visible to motorists. Location not visible to motorists. Location within the west city limits of Cabazon.

Near the body were several articles of clothes on hangars, indicating that she had been traveling in a car.

IDENTIFICATION was made by Police Chief Robert Morton and Deputy County Coroner Joe Cole from letters found on the body. They were from Helen Turner of Stanfield, Ariz., believed to be a daughter, and Ethel Jarnagin of Linnell, Calif. Also on the body was an Oklahoma driver's license 20 years old.

Cole estimated that the body had been there from three to four days to a week, but said that due to its decomposed state it would require a pathologist to determine cause of death.

The body was attired in men's clothes—shirt and trousers.

SLEEPY PROWLER ENJOYS GOOD NIGHT'S REST

Palm Springs police are today looking for the sleepy prowler who enjoyed a comfortable night as the uninvited guest of a Village hotel.

Officer Neal Green said the "sleeper" broke into a hotel room and apparently settled down for a restful slumber.

The snoozing burglar, who departed as quietly as he entered, left behind a broken glass door and mussed-up bed.

Burglar Nets \$270 Loot at Dill Lumber

A glove-wearing burglar raided the Dill Lumber Company office at 691 Industrial Place last night, escaping with about \$270 in cash and equipment.

Detective Robert Davis said the midnight bandit opened the office door, found a ring of keys and opened cash boxes and a file cabinet.

The burglar, who apparently wore a pair of work gloves he found in the office, took \$107.32 in cash and carried off a tape recorder worth about \$160, Davis said.

Thirty-one Air Force planes and 20 naval planes took part.

Peterson to Leave For Vacation

City Manager Robert W. Peterson has been given permission from the City Council to take his vacation for the next three weeks.

He plans to go to Idyllwild for a three week visit and take side trips from the mountain resort.

The Air Force planes came from bases in Turkey.

Check 100 Homes

Two Sheriff Night Patrols at Work

Sheriff's deputies are now operating extra night patrols in the resort area, supporting a new sheriff's office program designed to reduce burglaries of homes vacated for the summer months.

Desert Deputy Paul Lewis said more than 100 area homes are now under around-the-clock surveillance in the unincorporated zones surrounding Palm Springs.

LEWIS SAID Sheriff Joe Rice has stepped up the desert patrol schedule so that two patrols are on constant duty throughout the night.

The sheriff's office launched its new burglary protection program by preparing special information forms to be filled out and mailed to the office by homeowners vacating their dwellings for the summer months.

Parliament Postpones Elections

50 Aircraft Fly Over Major Lebanese Cities

BEIRUT, Lebanon (UPI) — U.S. planes operating from 6th Fleet carriers and air bases in Turkey staged an impressive show of strength over all major Lebanese cities today in a "salute to the people of Lebanon."

It was a clear demonstration of U.S. aerial might in a divided country made anxious by the postponement of Lebanon's parliamentary elections and by a fiery speech in Cairo Thursday night by United Arab Republic President Gamal Abdel Nasser.

THE DEMONSTRATIONS by American forces committed to uphold stable government in this tiny Arab republic included supersonic fighters and big bombers capable of carrying atomic bombs.

Thirty-one Air Force planes and 20 naval planes took part.

THE FLYPAST began soon after dawn over the cities and small villages. The planes were 12 F100 Super Sabres, nine B57 bombers, six BB66s, four RF101 Voodoos and assorted aircraft from the carriers Saratoga and Wasp somewhere off the Lebanese coast.

Supervisors Take Stand Against Yielding Corona Sales Tax Demand

The Board of Supervisors unanimously agreed this week that the sales and use tax agreement with cities will not be renewed if the present agreement is rendered inoperative by withdrawal of the City of Corona. This would mean discontinuance of the county sales tax, effective Dec. 31.

The city council of Corona has notified the Board of Equalization in Sacramento that effective Oct. 1 it will keep all the sales and use tax collected within its borders and will cease to give ten percent to the county as it does presently along with all other county cities except Palm Springs.

BY UNANIMOUS agreement when the present program was adopted Palm Springs was exempted from allocating any portion of its tax collections on the basis that its circumstances are different than those of other cities and that it would lose money if it were to donate any of its sales tax moneys.

The difference claimed was made evident when the Board of Equalization report showed that Palm Springs had an increase of only one per cent whereas other cities increased their revenue under the Bradley-Burns county-city agreement from 24.14 per cent to 100 per cent.

THE CORONA CITY council has recently taken the stand that Palm Springs should be made to donate ten per cent regardless of its circumstances, and has in effect told the supervisors that only if Palm Springs joins other cities in allocating ten per cent of its sales tax to the county will it reconsider its withdrawal action.

The supervisors declared in the resolution they adopted that the present arrangement is much more advantageous to the cities than to the county and is equitable and fair to all of the cities. "It is not our intention," they stated, "to amend our sales tax law so as to permit the City of Corona to increase the rate of its sales and use tax at the expense of the county and contrary to the terms of its existing understanding with the cities of this county."

IT WAS POINTED out in the resolution that the uniform sales and use tax in force the past year has provided sorely needed additional revenues to the county government and even greater additional revenues to the cities, thereby minimizing the need for additional property taxes.

The supervisors observed that if continued, the program offers a continuing basis for simple, inexpensive and systematic collection of the sales and use taxes with substantial equity to all of the cities and without the confusing and unequal effects upon merchants and consumers in the cities and the unincorporated areas that resulted from prior city sales tax ordinances.

"THE CITY COUNCIL of the City of Corona," said the supervisors, "threatens by unilateral action to increase the rate of its sales and use tax, which would make our county ordinance inoperative and would disrupt the present mutually advantageous arrangement and would not only deprive the county government of needed revenues but would also greatly reduce the revenues of the cities and increase their expenses and other problems of collection."

THE high cost of baby-sitters need not keep young parents from dining out on Thursday nights in Palm Springs any longer this summer.

The Palm Springs Biltmore, pioneer of the "Open All Summer" Society, has just announced an innovation in restaurant policy which offers a comfortable suite with an attendant for children of the patrons of the popular Thursday night buffet dinner which has been a Biltmore feature for a number of years.

Suspect Held In Slaying of Mother, Son

LOS ANGELES — (UPI) — Service station attendant Charles Earl Brubaker, 39, was questioned today about the murders of a brutish divorcee and her 9-year-old son in a Wilshire District apartment.

Brubaker was arrested and booked on suspicion of murder within 10 hours after the bodies of Mrs. Irene P. Morey, 40, and her son, Craig, were discovered Tuesday.

THEY APPARENTLY had been strangled, according to a coroner's report. Mrs. Morey, a secretary in the advertising department of a Los Angeles newspaper may have been criminally assaulted.

Detectives said the two victims apparently had been slain over the weekend. They said Brubaker admitted having supper with Mrs. Morey on Sunday night.

THE MURDERS were discovered when Frank A. Root and L. S. Riley, fellow employees of Mrs. Morey, called to find out why she had not reported to work.

Her body, clad only in a sweater, a stocking bound around her neck, was lying on the divan, covered with a blue nightgown. The boy's pajama-clad body was found on the floor near the divan, a piece of wire near it.

Mrs. Morey also had another son, Kent, 8, now visiting relatives in the East.

BRUBAKER, a registered ex-convict with a record of arrests for forgery, burglary and resorting, denied any knowledge of the slayings.

He said he left Mrs. Morey's apartment about 12:30 a.m. Monday and went to a drive-in restaurant to have a snack.

He said that about 10 p.m. Sunday evening while he was at the woman's apartment the doorbell rang and she went to the door and talked to a man for about five minutes.

Brubaker was arrested on the basis of descriptions given to police by neighbors who had seen him with Mrs. Morey.

Lebanese Situation Is Entering a New Phase, Solution May Be Found by Murphy

By CHARLES M. McCANN,
UPI Foreign News Analyst

The Lebanese situation is entering a new phase. The 66-member single-chamber Lebanese Parliament was due to meet Thursday to elect a new president for a six-year term.

The big question had been whether, if the meeting had been held Thursday, opposition members would boycott it. There was almost no chance they would attend it.

IT IS NOW announced that the meeting has been postponed, probably until next week.

There are indications that the postponement may have been decided upon hopes that agreement could be reached on a candidate to succeed President Camille Chamoun.

The election of a president is the issue that lies behind the entire Lebanese crisis.

Detectors said the two victims apparently had been slain over the weekend. They said Brubaker admitted having supper with Mrs. Morey on Sunday night.

The rebels are Moslems. They are disorganized. They have four principal leaders, who are united on only one thing: They want to

throw Chamoun out now. CHAMOUN AND his Moslem premier, Sami es-Solh, are firmly pro-Western and firmly against Nasser's attempt to make himself master of the Arab world.

At first, Chamoun and Solh wanted support through the United Nations, to seal the frontier.

BUT WHEN THE situation got critical, they asked for direct American help.

Shocked by the sudden, murderous revolt in Iraq, the United States started landing Marines in Lebanon July 15.

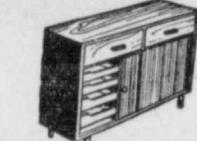

In hope that some compromise

could be reached to end the rebellion and insure the peaceful election of a successor to Chamoun, the United States sent Deputy Undersecretary Robert Murphy, a noted diplomatic trouble-shooter to Lebanon.

Rancho Mirage

By JEAN PATANE

Mid-week houseguests at the Rancho Mirage home of Margaret and Lewis Tanner were Mrs. Tanner's brother and sister-in-law, John and Flora Sweet and their son, Kenny, of Palmdale. The Tanner's son and daughter-in-law, Lloyd and Stella Green and their daughter, Patsy, who had planned to return to their Ventura home last Wednesday, stayed on as their daughter and son-in-law, Jay, Chris and Deanie, left Sunday on a camping trip through the northern part of California. Their plans were to visit the Calico Big Trees and some of the interesting out-of-the-way places.

Mr. and Mrs. Tom Anderson (Hoover Construction) and boys, Jay, Chris and Deanie, left Sunday on a camping trip through the northern part of California. Their plans were to visit the Calico Big Trees and some of the interesting out-of-the-way places.

Mr. and Mrs. John Vlasek, co-owners of Desert Holiday, are spending most of their time in Beaumont where they are building a new home on Elm Street.

Over the weekend Mr. and Mrs. John Vale were in Los Angeles and Newport. On Friday evening they entertained a group of ten friends for dinner and dancing at the Los Angeles Breakfast Club and on Saturday they were houseguests at the Newport Island home of Mr. and Mrs. John Henry Nutt, Jr., enjoying fishing and boating. They returned to the desert Monday night.

Gilberto Enriquez, who announces the Spanish language program over KCHV in Coachella, enroute to visit his parents in Corona stopped to chat with Constance Holland at her Ceramic Studio on Highway 111. Miss Holland at one time studied art in Mexico.

Among the guests at the dinner and swimming party hosted by Mr. and Mrs. Ted Doak at Whispering Waters Hotel celebrating the eleventh birthday of their daughter Roberta were Peter Michelle, Diane Miller, John David and Michael Brooks, and their parents Mr. and Mrs. John Brooks.

Following a vacation at their summer home at Cardiff By The Sea, Bill Boland and family are back in Rancho Mirage, where Bill will supervise the construction of additional units, scheduled for completion for the coming winter season, at the well known and popular "Casbah."

Steady Improvement Shown In Business Upturn

While the national recession cannot as yet be spoken of altogether in the past tense, there are numerous evidences that it has passed the bottom point with steady recovery in progress on almost all business fronts.

Employment, production and both wholesale and retail sales have been gradually climbing upward for several months and in most categories are close to seasonal normals for this time of year.

Inventories of raw materials and manufactured products are on the whole below those of one year ago, which coupled with increasing sales over the country result in a general forecast of substantial improvement in the entire economic situation during the fall months.

Added to the broad view of sound conditions is the extra surge bound to come from the huge program of government projects and spending which has required some months to get into actual operation but is now getting under way with rapidly gaining momentum.

Best indicator of a firm public con-

fidence is seen in the growing strength of the stock market rise extending over the past several months. Coming at a time when companies have not yet reflected increased earnings or are still in preparatory production and marketing stages, the steadiness of the market and the solidarity of its gains show that business and financial circles are convinced that the upturn is now shaping up as anticipated.

With stock prices having finally regained and passed the peaks prior to the sharp 1957 sell-off, it is to be expected that there will be a period of profit taking and selling for tax purposes, but by and large market prospects for the last half of 1958 show every sign of much more favorable performance for investors than at any time in recent years.

With inflationary tendencies slightly overbalancing depressive effects, even the layman is convinced that prices will not be lower and that now is as favorable a time as any to buy, be it a home appliance or real estate.

In short, the future of the entire country has never looked better.

hoped to avoid a major involvement. Mr. Eisenhower initially planned to use only the Marines and some selected airmen. Mr. Truman, like his successor, consulted Capitol Hill advisors, but did not ask for a declaration of war.

AS FOR THE Democrats, they are in much the same position as the Republicans were in the Korean intervention. Democrats feel, as did the Republicans eight years ago, that we have bungled into battle. Senator Lyndon Johnson, the Democratic chief, has given support but not approval to the Eisenhower move.

Johnson used these carefully-chosen words: "It was the feeling of the President that there was no alternative." Senator Mike Mansfield, Johnson's deputy and assistant floor leader, said he "doubted the wisdom" of Ike's move which, he said, was not sanctioned by the Eisenhower Doctrine nor the American - British - French tripartite agreement.

SEN. WILLIAM Fullbright, a Democratic expert in foreign affairs, spoke contemptuously of the Eisenhower action as the end-result of stupidity and (by inference) of Republicanism. In all frankness, we are a political war at home and something approaching a military one abroad. Unhappily, no matter what platitudes are spoken by the Democratic and Republican leaders, there is only one event that could nationalize the fight. A shocking disaster, comparable to Pearl Harbor, is what it will take to make us forget the way that we have, for the fourth time this century, stumbled into war while stumbling of peace.

The point deserves emphasis by repetition. The Republican

The New War

WASHINGTON, D.C.—"Russia won't fight a big war." This is the key with which President Eisenhower is trying to unlock the Middle East box.

The President's best advice from the highest possible source is that the USSR is unwilling to risk a showdown. American bombers from the Strategic Air Command and from the Navy carriers would smash up the Russian cities with their prized postwar industries and possibly touch off an internal revolt.

IT IS A CHANCE that Khrushchev is judged unwilling to take. Hence, the White House belief that our Middle East intervention will be limited.

But even with this advice before him, Mr. Eisenhower dreaded and hesitated to take the fateful step of committing the first wave of Marines. Two days before the crisis, Senator Bridges (R., N.H.), the GOP's most potent figure, told this reporter that American forces should be used, if necessary, to prevent further losses of important territory in the Middle East.

IT WAS SENATOR Bridges, according to the best information, who prevented Mr. Eisenhower from temporizing once more. Bridges insisted that the President call in the Congressional leaders and inform them of a decision to land the Marines.

What have we here—another Korea? Many aspects are similar. President Truman, back in June, 1950, at first ordered only the Air Force into action. He

hoped for action in the Middle East comes from a seething mass of all things Communistic, not from any love of international adventuring and war.

AS FOR THE Democrats, they are in much the same position as the Republicans were in the Korean intervention. Democrats feel, as did the Republicans eight years ago, that we have bungled into battle. Senator Lyndon Johnson, the Democratic chief, has given support but not approval to the Eisenhower move.

OLD GUARD Republicans have favored every opportunity to leap at the jugular vein of World Communism. This explains their hot desire for General MacArthur's all-out policy in Korea, for Vice President Nixon's unpublicized but well-known plan to fight the Reds at Dienbienphu, for supporting the Hungarian freedom fighters, for support of President Rhee in South Korea and President Chiang Kai-shek in Formosa, to name those examples which come to mind.

The point deserves emphasis by repetition. The Republican

DEAR ABBY: Would you please tell me what you think of a college-bred man who sits at the table sideways in his chair with his feet sticking out on the side? Nobody can correct him because he is supposed to be very smart and educated. When eating fish he also takes the fishbones and picks his teeth with them in front of everybody. Maybe they should have a course in table manners at college?

SIGGIE

DEAR SIGGIE: If a person gets to college without having learned how to sit at a table and eat properly, an "on-the-spot" lesson is in order from his family or close friends.

DEAR ABBY: My 16-year-old daughter wants to be a model. She works at it literally hours every day brushing her hair, doing her nails, exercising and measuring herself. I haven't said much about it because I hoped she'd outgrow the idea. We are a respectable family, Abby, and I would like to know if you think respectable girls go in for modeling? They sometimes are asked to model bathing suits and underwear. Her father is an elder in the church and if his daughter modeled underwear in

DEAR ABBY: I am 22 years old and my husband is 24. We've been married three years and have two children and one on the way. My mother-in-law had the nerve to call and ask me to bake six pies for her church bazaar. I told her my ankles were swollen and I'd be glad to buy six pies. She said she didn't want store-bought pies she wanted home-baked pies, so I told her I was very sorry but that was the best I could do for her. She hasn't been civil to me since. Do you think I was unreasonable or was she?

DEAR ABBY: I am a widower 76 years of age and in good health. The last three years I've been thinking of taking a trip to my home town in Italy. I have my own money to go with and the only thing that's holding me back is that my children are very much against my going. They think I'm too old to travel alone. I keep telling them when I came here I came alone, so what's the difference? Should I go?

PROSINONE, HERE I COME.

DEAR FROSINONE: If you are in good health and have your own money, you don't need permission from your children. Tell them you can take care of yourself, and Frosinone had better watch out!

DEAR ABBY: To begin with, please don't tell me to see my clergyman because I don't have any. I am 29 years old and have nothing to live for. Everything has gone wrong for me and I'd take my life if I had the nerve. My troubles would fill this whole page but that is for women and weaklings. I am in good health, but what good is a healthy body when you are looking forward to the peace that comes only with death?

Top Swimming Acts Are Scheduled For Carnival Here Thursday Night

MISS ST. LOUIS, lovely Carole Learn, gets a poolside lesson in how to roll a hoop from Ed Thrasher during a week end visit at the Lone Palm Hotel. It was the first Village visit for Miss Learn, who wore the title of Miss St. Louis in last year's Miss Universe Pageant. Now living at Hollywood's Studio Club, Miss Learn is studying dramatics and art. She has appeared on the "Ozzie and Harriet" show and other television productions. She was escorted to Palm Springs by Thrasher, a frequent Lone Palm guest, who is assistant art director at Capitol Records in Hollywood. (Sun Photo).

Mr. and Mrs. Vernon Krings (Krings Service Station) are enjoying a vacation in Reno and Las Vegas, and are expected back the end of the week.

Over the weekend Mr. and Mrs. Harry J. Jones and sons, Hank and Raymond, of La Crescenta, enjoyed swimming and relaxing at Sunair Terrace.

Mr. and Mrs. Frank W. Thompson and sons, Michael and Frank, spent the weekend in Altadena at the home of Mr. and Mrs. E. L. Neilsen and daughters, Linda and Roslyn.

Mr. and Mrs. Russell Snyder with children, Larry and Gayle, and Mr. and Mrs. Marion Woody and son, Keith, went to Hemet Lake Sunday where they spent the day fishing.

Andreas Arrives At San Diego

Anthony J. Andreas, Jr., airmen, USN, son of Mr. and Mrs. John J. Andreas of South Palm Canyon Drive, has arrived at San Diego aboard the aircraft carrier USS Hornet after six months in the Far East.

During the overseas tour the Hornet took part in training operations as a unit of the U. S. Seventh Fleet. She visited ports in Japan, Okinawa and the Philippines.

The Hornet is scheduled for conversion to an anti-submarine carrier at Bremerton, Wash., this coming fall.

Three championship synchronized swimming acts were today scheduled for the second annual Palm Springs summer swim carnival.

The carnival, which features eight events open to boys and girls from 8 to 18 years of age, will be staged at 8 p.m., Thursday, at the high school swimming pool.

This year's swim show is again sponsored by the City Park and Recreation Department.

Howard Haddock, city recrea-

tion superintendent, said three championship synchronized swimming acts and a comedy team will be entered from the Lakewood Recreation Department Swim Club.

Other carnival events include a greased watermelon race, a spoon and ping pong ball race, diving exhibitions and a Red Cross canoe life saving demonstration.

Youngsters wishing to enter the carnival events should contact pool manager Vernon Howeth at the high school pool.

Work Started on First Sanctuary of Mystic Christianity

Dr. Edwin J. Dingle, chancellor and founder of The Institute of Mentalphysics, today announced the completion of planning and the start of construction of the First Sanctuary of Mystic Christianity being built at the New City of Mentalphysics on the Twenty-nine Palms Highway between Yucca Valley and Twenty-nine Palms.

Dr. Dingle said that the sanctuary is an additional project of the Institute's million dollar building program, currently under way.

THE NEW EDIFICE will be located on a raised portion of the Institute of Mentalphysics' 2,000 desert acres. The firm of O. K. Earl, Jr., Builders, of Pasadena,

are responsible for the planning and construction of the First Sanctuary, which will have a seating capacity of 500 persons.

The design features generous uses of architectural glass, Bouquet Canyon stone and other native materials, with the roof being freely supported on flying buttresses. The interior will have treated vaulted ceiling, special sound and lighting equipment and be carpeted throughout.

140 JayCees, Guests Attend Annual Luau at Desert Inn

More than 140 JayCees and their guests attended the fifth annual Luau at the Desert Inn Saturday night. Co-chairmen for the affair were Mrs. James Schlecht and Mrs. Dave Fisher.

The food committee headed by Mrs. Ted Land served a menu that included barbecue chicken and ribs, almond rice, fresh pineapple and watermelon, tossed green salad, rolls and coffee. She was assisted by Mrs. Lee Muhleck, Mrs. J. R. Wahlberg, Mrs. Hy Ranes, Mrs. Gene Bergeron, Mrs. Bob Schlesinger and Mrs. Bill Bronstein.

The festive theme was carried out with torches, Chinese lanterns and candlelit tables. Fish netting and Hawaiian posters finished the scene. Decorations were supervised by Mrs. Nick Mutascio, who was assisted by Mrs. Ross Dille, Mrs. Don Wexler, Mrs. Larry Coulton and Mrs. Gene Bergeron.

Contestants for the prize costumes were selected from the colorful crowd with the applause of the audience selecting Mrs. Bob Schlesinger and Dr. Wayne Huffman as the best dressed. Dr. Huffman was awarded the JayCee mascot, Jezabel, who was dressed in authentic native cos-

Master of ceremonies for the program which followed the judging was Tom Raphael.

Highlights of the entertainment were "Little Grass Shack" danced by Mrs. Bill Bronstein and Mrs. Nick Mutascio; "Princess Poo-Poo-Ly," done by Mrs. Schlecht, Wayne Huffman, Bill Bronstein, Frank Allen, Neil Thuresson, Maurice Smith and Tom Raphael; "Only Man On The Island" by the Hula girls and featuring the emcees as the only man; a solo dance by Mrs. Nick Mutascio called Holo-Holo-Kaa; and Mrs. Tom Raphael, who sang "Aloha," accompanied on the mandolin by Hy Ranes.

Snash hit of the evening was Mrs. Gene Bergeron with her take-off of Hilo Hattie doing the "Hilo Hop."

The dancing was followed by a zany diving exhibition by Bill Bronstein and Tom Raphael. They demonstrated the latest in crazy dives including "The dead duck" and "The Hangnail Dive." This portion of the program was emceed by Hy Ranes.

Special guests for the evening were Mr. and Mrs. Rex Fling, president of the Riverside JayCees, and Mr. and Mrs. Rex Johnson, also of Riverside.

Claude Gottbeuhets Tour Germany, Tell Experiences

The traveling Claude Gottbeuhets of Palm Springs are now vagabonding in Germany in the new European car they picked up on arrival.

Their first stop was in Bremen where they stayed overnight in a small German hotel. The next day they ate at the Rathskeller Hotel, built in 1402, and where the fairy tale, the "Bremen Musical," took place. Later in Hamlin they ate in the place where the Pied Piper story originated. They also visited the Hagaenbeck Zoo which is reportedly the finest zoo in the world.

The Gottbeuhets report the German people are very friendly and cooperative to American tourists.

A trip to Berlin was quite an adventure as they were stopped 17 times by the Communists for inspection before reaching there.

In Berlin they were fortunate to meet a German woman who took them on a tour of the city and told them the story of how she lost her family, home and wealth, of the Russian atrocities and of how the Berliners hope the United States and allies hold the line against the Russians who "press and press."

Before leaving Berlin the Gottbeuhets had to make a trip to the United States Consul and then to the passport authorities due to the fact that the Communists failed to fill out all the necessary information, with Mr. Gottbeuhet making a special trip behind the Iron Curtain to straighten the matter out. Following a two hour wait he managed to see the proper authorities, who refused to put

Mueller Earnings Honor List Rating At San Diego

Myron G. Mueller, son of Mr. and Mrs. Adolf Mueller, 280 Mel Avenue, earned grades high enough to place him on the Dean's Honor List for the second semester at San Diego State, according to Dr. Herbert C. Pfeiffer, Jr., dean of students.

Mueller is a junior at the school, majoring in engineering.

Two Villagers Attend Choral Art Workshop

Two Village choral directors are currently participating in the sixth annual workshop in choral art at San Diego State College.

Enrolled in the graduate course, taught by internationally prominent choral director, Roger Wagner, are Hugh Givens, of 149 Avenida Elenora, and Reba G. Mason, of 255 Camino Buena Vista.

Salingers Enjoy Basking in Sun Of Southern Italy

From the shores of the Mediterranean comes word that Dr. Samuel and Dorothy Salinger are basking in the sun of Southern Italy.

Writing from Terracina, Italy, where they have an apartment "right on the beach of a quiet, picturesque village," the Salingers report that they have just finished a motor tour through Florence, Genoa and the Riviera to Nice, where they "had a wonderful time."

They plan to travel next to Stockholm, Copenhagen, Brussels and Paris, returning to Palm Springs late this month.

Pudding Uses Two Favorites

A simple but delicious pudding combines two children's favorites—chocolate milk and coconut macaroons.

Soften 2 tablespoons unflavored gelatin in $\frac{1}{2}$ cup chocolate milk. Heat remainder of chocolate milk to boiling point, add gelatin mixture, a dash of salt, and $\frac{1}{4}$ cup sugar. Stir until gelatin is dissolved and chill until slightly thickened.

Mix and bake one 13-ounce package coconut macaroon mix according to package directions. Cool, and divide into 6 individual serving dishes. Fold 1 cup heavy cream, whipped, into chocolate milk mixture and spoon over cookies. Chill until firm and serve.

Add Bologna To Macaroni
Macaroni salad becomes a one-dish meal when you add bologna strips and cheese. For 6 servings, cook one 8-ounce package elbow macaroni in 3 cups boiling water with 1 tablespoon salt. Drain, rinse with cold water and drain again. Combine cooked macaroni with $\frac{1}{2}$ pound bologna and $\frac{1}{4}$ cup American cheese cut in thin strips $\frac{1}{4}$ cup chopped celery, $\frac{1}{4}$ cup sliced green onions, $\frac{1}{2}$ cup each sliced green pepper and French dressing, $\frac{1}{2}$ teaspoon Worcestershire sauce, and salt and pepper to taste. Mix lightly and chill before serving.

DR. AND MRS. MORRIS D. Josel, 36-951 Melrose Drive, recently returned from the famous "Triumph Rally of Europe," after visiting six countries on the Continent. The Rally was made up of some 200 sports car owners who picked up their Triumph TR-3 sports car at London Airport and then followed a route which led through

France, Spain, Monaco, Italy and Switzerland, to such historic cities as London, Dieppe, Rouen, Madrid, Monte Carlo, Siena, Rome, Florence, Venice, Lucerne and Paris. Nineteen different states were represented on the tour. The Rally is an annual event sponsored by Triumph Sports Owners Association.

'La Llorana Del Rio' to be Play at Padua Hills

"La Llorana del Rio," the wailer of the river, is the next stage attraction featuring The Mexican Players at Padua Hills Theatre.

The three act play written by Jose O'Brien opens a run of eight weeks beginning July 30. Dancer Luis Abundiz and his pretty wife, Maria, play the romantic leads with strong support from Alicia Narvaez.

"Rancho Viejo," two act comedy of early Spanish-California is now in its final week. Casilda Amador, Armando Felix, Francisco Velazquez, Aisencho Gutierrez and Miss Narvaez are featured in this play with its setting in the Santa Barbara area.

Written by Director Eladio Herrera, the play includes colorful dances, one of which is a shortened version of The Swordfish

Dance, ceremonial dance of the Padua Institute, Canalino Indian Tribe.

Reservations may be made by calling NAtional 6-1268, Claremont.

Aaron Starts
Hitting, Haney
Feels Better

Braves Move
Within Half
Game of Giants

By MILTON RICHMAN
United Press International

The Milwaukee Braves feel they have a special pennant barometer in Hank Aaron, who is finally operating on the sunny side of the street after weathering some early season storms.

"When Henry's hitting, we're always in good shape," says Manager Fred Haney, "and when he's not, it suddenly looks awful gloomy."

LUCKILY FOR the Braves, Aaron is hitting better right now than at any other time this season. He soared to .305 when he enjoyed a perfect night Tuesday night with four straight hits in a 2-1 victory over the St. Louis Cardinals.

Aaron's fourth hit of the game was an eighth-inning single that sent Eddie Mathews to third base from where he scored the winning run on Del Crandall's sacrifice fly.

RAIN WASHED OUT the rest of the National League schedule, causing postponement of games between the Giants and Phillies, the Dodgers and Pirates, and the Cubs and Redlegs.

Over in the American League, the Yankees widened their lead to 12 games by starting their western invasion with a 13-3 win over the Detroit Tigers.

HECTOR LOPEZ, Kansas City's "Handy-Andy," belted a two-run homer with two out in the ninth to beat Boston, 4-3.

Reliever Turk Lown had to choke a ninth-inning Baltimore effort to preserve a 4-2 victory for Chicago.

Cleveland and Washington split a two-night doubleheader, the Indians taking the nightcap, 5-3, after the Senators won the opener, 4-2, in 12 innings.

Eddie Sawyer, recalled by the Phillies to replace Mayo Smith as manager, said today he was elated to be back in baseball even though I'm starting out one run behind."

Sawyer, who piloted the Phils in 1950 to their first pennant in 35 years, referred to his first task tonight, the completion of a game suspended last June 22 with the Phillies trailing the San Francisco Giants, 1-0, in the sixth inning.

General Manager Roy Haney announced the switch in managers with startling suddenness Tuesday without giving reasons for Smith's dismissal other than that "we thought a change was in order."
